

Creative Brief: Move Together

Campaign Theme: Bringing Fitness Home — Smart Fitness Mirror Launch

1. CAMPAIGN OBJECTIVES

Primary Goal: Launch the smart fitness mirror by building product awareness, generating audience engagement, and positioning the product as an inclusive fitness experience that connects people through community and wellness.

Supporting Objectives

- **Increase Awareness:** Introduce the new smart fitness mirror to target segments.
- **Foster Community:** Encourage active engagement within the fitness network.
- **Showcase Convenience:** Demonstrate seamless at-home fitness integration.
- **Build Brand Trust:** Reinforce core values of community, inclusivity, and wellness.
- **Drive Demand:** Generate qualified traffic to convert prospects into buyers.

2. CORE KEY MESSAGE

“Fitness that fits your life. A community that moves with you.”

The smart fitness mirror isn't simply a piece of technology—it brings live and on-demand workouts into the home while connecting users with instructors and a thriving community.

Why Should the Audience Care?

Users can train flexibly on their own schedule without sacrificing the genuine motivation, human connection, and real-time encouragement of a supportive fitness community.

Strategic Pillar: Positioning the device not as an isolated hardware gadget, but as an interactive gateway to holistic wellness.

3. TARGET AUDIENCE PROFILE

Demographics & Core Persona

Primary Demographic: Adults aged 25–45 interested in fitness, wellness, technology, and flexible home workouts.

Lifestyle & Interests

- Busy professionals and individuals balancing demanding daily schedules.
- Committed to maintaining an active, balanced, and healthy lifestyle.
- Seek flexible workout options that adapt seamlessly to evolving routines.
- Value personalized experiences powered by smart fitness technology.
